### YOU CAN HELP!

The Hospice Ball Committee is seeking help in the following ways:

- **Donate** vintage cigar boxes, lamps, bottles, magazines, etc. for use as décor in the hangar
- **Volunteer time** Feb. 25, 26 or 27<sup>th</sup> to help set up, work at the ball or clean up the day after the event
- **Purchase** tickets or a table and attend the ball
- **Donate** an item for use at the silent auction, online auction or as a prize in the new Poker Raffle game.

If you can help, please email the committee at [kevi@missoulahospice.org](mailto:kevi@missoulahospice.org).

**Did you know?** The first hospice in the United States, the Connecticut Hospice, began providing services in March 1974. Providing palliative rather than curative care, hospice relies on the combined knowledge and skill of an interdisciplinary team of professionals including physicians, nurses, medical social workers, therapists, counselors, home care aides, and volunteers who coordinate an individualized plan of care for each patient and family.
